Clair de Lune (Au Clair de la Lune)

Au clair de la lune, mon ami Pierrot.
Prete-moi ta plume, pour ecrire un mot.
Ma chandelle est morte, je n'ai plus de feu.
Ouvre-moi ta porte, pour l'amour de Dieu.

Silver is the moonlight on the frosty snow.
At your door I'm knocking, my good friend Pierrot.
I would write a letter if you'll lend a pen.
Your fire burns so brightly, pray may I come in?

Silver is the moonlight, Shining very bright.
Now that it is bedtime, I will say goodnight.
The moonlight is shining, Like a bright nite light.
Climbing into bed now, Soon I will sleep tight.

Long, Long Ago

Long, long ago, yes, and far, far away
I had a dream, that I could play.
Long, long ago, yes, and far, far away
I had a dream that is true.
I can play loudly and I can play rough.
I can play softly and all of that stuff.
Long, long ago, yes, and far, far away
I had a dream that is true.

Tell me the tales that to me were so dear,
Long, long ago; long, long ago.
Sing me the songs I delighted to hear,
Long, long ago, long ago.
Now you are come, all my grief is removed.
Let me forget that so long I have roved.
Let me believe that you love as you loved,
Long, long ago, long ago.

Up to the treehouse where you'll never find us.
Down to the cellar where you'll never find us.
Running up the stairway, running down the stairway
Running faster than we did before.

Witches on broomsticks fly about, Goblins and ghosts appear.
There's a full moon shining brightly, Making the shadows frightening.
But little children never fear, Trick or treat time is near!

But little children never fear, Trick or treat time is near!
